

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 20, 1995

SUBJECT: **HB 294 - SB 1381**

This bill, if enacted, will provide for the confiscation and sale of a vehicle for third or subsequent DUI offenses with 33% of any proceeds going to the Department of Safety.

The fiscal impact from enactment of this bill is estimated to be an increase in state revenues of \$705,300 from cost bonds and the sale of forfeited vehicles. It is also estimated that there will be an increase in local government revenues of \$728,300 from the sale of forfeited vehicles.

Enactment of this bill is also estimated to result in a recurring increase in state expenditures of \$137,500 to administer the program and a one-time increase of \$32,200.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

James A. Davenport, Executive Director
